

IBM CLOUD SERVICES

Date : 07 November 2022

Team ID : PNT2022TMID00948

Project Name Project - SIGNS WITH SMART CONNECTIVITY FOR BETTER ROAD SAFETY.

The screenshot displays the IBM Cloud console interface. At the top, a browser window shows the URL 'cloud.ibm.com'. The console header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user profile 'Avinash Saleth Thomas...'. A left-hand sidebar contains various icons for navigation. The main content area is titled 'For you' and features a 'Select an option' dropdown. Below this, there are five cards: 'Build' (a large blue card with a link to explore easy starter tutorials), 'Set up your IBM Cloud account' (a card with a 'Getting started' button and a 10 min duration), 'Build a web app with Watson Speech to Text' (a card with a 'Getting started' button and a 15 min duration), 'Use Speech to Text' (a card with a 'Popular' button and a 2 min duration), and 'Get Started with Watson Studio' (a card with a 'Popular' button and a 2 hr duration). Below these cards, there are three sections: 'User access' with a 'Manage users' link, 'News' with a 'View all' link and a featured article about 'Unified Key Orchestrator', and 'Planned maintenance' with a 'View all' link. The bottom of the screen shows a Windows taskbar with the date '07-11-2022' and time '21:11'.
